The **policy** describes the insurance cover for which **we** have accepted **your** premium.

This insurance is renewable provided that **we** agree to accept **your** premium for any subsequent **period of insurance**. A new schedule will be issued for each **period of insurance** showing any changes to **your** cover.

Your policy is divided into a number of sections. The **policy** wording, schedule and any endorsement must be read together. Where a section does not apply, **your** schedule will state that it is 'not covered'.

Throughout this **policy**, **we** use defined terms. Defined terms are used to explain what a word means and are highlighted in bold blue print. Details of the **policy** definitions can be found on page 5.

Headings have been used for **your** guidance and to help **you** understand the cover provided. The headings do not form part of the contract.

To help **you** understand the cover provided **we** have added 'What is covered' and 'What is not covered'.

Under the heading 'What is covered' **we** give information on the insurance provided. This must be read with 'What is not covered', the Policy conditions and the Section conditions at all times.

Under the heading 'What is not covered' **we** draw **your** attention to what is excluded from **your policy**.

- 2** If the failure to make a fair presentation of the risk is not deliberate or reckless and **we** would not have provided cover had **you** made a fair presentation, then **we** can elect to make **your policy** void and return **your** premium, or

Policy conditions *continued*

- a** reduce proportionately any amount paid or payable in respect of a claim under **your policy** using the following formula. **We** will divide the premium actually charged by the premium which **we** would have charged had **you** made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - b** treat **your policy** as if it had included the different terms (other than payment of the premium) that **we** would have imposed had **you** made a fair presentation.
- 4** Where **we** elect to apply one of the above then
- a** if **we** elect to make **your policy** void, this will be from the start of the **policy**, or the date of variation or from the date of renewal
 - b** **we** will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the **policy**, or the date of variation or from the date of renewal
 - c** **we** will treat the **policy** as having different terms imposed from the start of the **policy**, or the date of variation or from the date of renewal
- depending on when the failure to make a fair presentation occurs.

Policy administration fees condition

We may charge **you** an administration fee if **we**

- a** make any changes to **your policy** on **your** behalf

Sanctions condition

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of **your policy** that **we** will not provide cover, or pay any claim or provide any benefit under **your policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, or **our** parent, subsidiary or any AXA group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.
